Bhavesh Sawant

Computer Science Student | Front End Developer
Mumbai, Maharashtra, India

Summary

My name is Bhavesh Sawant, and I am in my 3rd year of pursuing a degree in Computer Science & Design Engineering at New Horizon Institute of Technology & Management. My education has provided me with a strong foundation in both theory and practice, fueling my passion for technology.

I have gained valuable experience through internships, including roles as a Web Development Intern at Prodigy Infotech, a Python and Java Development Intern at OctaNet Services, and a Web Development Intern at EiSystems Technologies. These experiences have solidified my proficiency in frontend development and modern web technologies.
